## 第十一屆全球華人品質峰會論文徵集函

尊敬的： 全球華人品質聯盟成員  
全球華人品質專業人士

由全球華人品質聯盟(籌)主辦，“香港品質學會”及“香港理工大學電子計算學系”承辦的第十一屆全球華人品質峰會將於2026年8月6日至7日舉辦，峰會將以「**智臻质量，引领未来**」(AI for Quality (AI4Q): Leading the Future of Excellence)為主題，由多個角度展開研討。全球華人品質聯盟(籌)由中國質量協會、中華臺北品質學會、香港品質學會和新加坡質量學院於2015年共同發起。自2016年起全球華人品質聯盟(籌)每年組織召開全球華人品質峰會。聯盟旨在為世界各地華人搭建品質溝通平臺，凝聚全球從事品質事業的華人力量，構建具有華人特色的品質管理體系，推動最佳實踐，提升華人企業品質管理水平和品質形象以及弘揚優秀中華品質文化，尤其是在智造變革的時代。本次大會匯聚華人品質管理學者、專家與企業實務者，旨在共同探索與建構融合華人文化特質與管理智慧、並以AI技術為支撐的新一代品質管理體系。我們將推動傑出華人企業分享其在智慧轉型中的最佳實踐，為華人品質管理在AI時代的理論創新與應用落地奠定基礎。

素仰您多年對品質管理的研究、發展、應用、推廣成績斐然，誠邀您與您所在機構有意參與論文(成果)發表人員投稿本次峰會。

## Call for Papers of the 11th World Summit for Chinese Quality

Dear: Member of World Alliance for Chinese Quality, and Chinese quality professionals,

The 11th World Summit for Chinese Quality (WSCQ) hosted by the World Alliance for Chinese Quality (WACQ) and hosted by the "Hong Kong Society for Quality" and the "Department of Computing, Hong Kong Polytechnic University" will be held on August 6-7, 2026. The theme of "**AI for Quality (AI4Q): Leading the Future of Excellence**", the discussion will carry out from multiple angles. The World Alliance for Chinese Quality was jointly launched by the China Association for Quality (CAQ), Chinese Taipei Society for Quality (CSQ), Hong Kong Society for Quality (HKSQ) and Singapore Quality Institute (SQI) in 2015. Since 2016, the World Alliance for Chinese Quality (WACQ) has organized and held the Summit every year. It aims to build a quality communication platform for Chinese people all over the world to gathering Chinese professionals engaged in quality business around the world, so as to build a quality management system with Chinese characteristics, promote best practices, improve the quality management level and quality image of Chinese enterprises, and promote excellent Chinese quality culture, especially in the era of intelligent manufacturing transformation.

This summit brings together Chinese scholars, experts, and business practitioners in quality management to jointly explore and construct a new generation of quality management systems that integrate Chinese cultural characteristics and management wisdom, supported by AI technology. We will encourage outstanding Chinese companies to share their best practices in intelligent transformation, laying the foundation for theoretical innovation and practical application of Chinese quality management in the AI era.

Per your outstanding achievements in the research, development, application and promotion of quality management for many years, we sincerely invite you and your institution to participate in the summit and submit papers for the summit publication.

The detailed arrangements are showed as follows:
