Thinking in Quality:

The Change & The Unchanged in the Economic Turmoil

The 2nd International Symposium of Quality Management (ISQM) hosted by Yuan-Ze University will be held on 6-7 November 2009 at GIS convention center (National Taiwan University), Taiwan. This symposium is to link the recent advances in quality management and quality technology with fundamental problems in practice. It offers a unique interdisciplinary forum where researchers and practitioners of different backgrounds enjoy lively discussions on basic problems of common interest in quality management from various aspects. The symposium is organized by Chinese Society for Quality (CSQ) and in cooperation with Asian Quality Network (ANQ). The symposium will feature keynote speeches, tutorial and paper presentation. The best paper award will be also presented during the symposium.

Paper Submission

The Symposium cordially invites papers from researchers, educators, and practitioners in industries. Prospective authors are invited to submit manuscripts written in English (up to about 10 pages). Original, previously unpublished papers are welcome. All submissions will be peer-reviewed for suitability for the symposium based on originality, significance, quality and clarity. Authors should use the templates obtained from the website to prepare their manuscript. The authors should submit their papers through the online submission system. The conference website is <http://isqm2009.iem.yzu.edu.tw>.

Important Dates

Full paper submission: August 15, 2009
Notification of acceptance: September 30, 2009
Final camera-ready paper due: October 15, 2009
Registration: October 1-15, 2009
Conference: November 6-7, 2009

Publication

All accepted papers will be included in the symposium CD ROM. The publication of a paper requires at least one of the authors to register and to present the paper at the conference. Selected papers will be invited for possible publication in the special issue of ISQM-2009 in Journal of Quality (indexed by EI Compendex and Scopus).
